TELEVISION SITES ON SAN BRUNO MOUNTAIN

The view from San Francisco's
San Bruno mountain has long been heralded
something out of this world. But
nothing more than a peek
at a panorama which
can be seen from San Bruno moun-
tain, commonly known as Black
Mountain, which lies on the Crocker
estate property southeast of Daly

A new 34 foot road is just be-
ing completed by the Macco
company right to the top of the
mountain. The road winds for
approximately two miles from
Crocker avenue extension right
to the peak, an elevation of ap-
proximately 1300 feet.

Crocker estate managers have
erected the road to make access
television stations which will be
located atop San Bruno mountain
the near future. It is understood
the S.F. Chronicle and Nat-
ional Broadcasting Company have
already made plans for television
broadcasts there and that several
other broadcasting organizations
also interested in the location.

Atop the mountain one can
have an uninterrupted view of
the entire San Mateo peninsula,
extending past Redwood City,
and a slight turn of the head
shows the entire east bay, from
Hayward to Stinson Beach, in-
cluding in the foreground South
San Francisco, Brisbane, Hunt-
ers Point, the Bay Bridge, and
other points of interest. Mt. Di-
ablo looms up in the background.

The downtown financial district
San Francisco can be looked
upon in all its splendor, and
San and San Pablo bays are
in sight.

The view also unfolds thousands
acres of land lying east of Daly
City to the southern shore of San
Francisco bay. Much of this will
be used in future years for
residential development, while
the whole valley near Brisbane is
being laid out for industrial sites.
The road, not yet completed, is
open to traffic.

Observers calculate that open-
ing up of the area to create
stations for television broad-

most of the area east of Daly
City, long thought of as worth-
less hilly country, developing
to home and industrial sites.

Council Considers Widening School St. For Business

The city hall was a busy place
Monday night, with the city council
meeting with a group of property
owners from School street and fol-
lowing with a caucus meeting,
while merchants and fraternal
groups met separately to complete
plans for a two-day centennial
celebration to honor the Portola
trek's invasion of Daly City on Oc-
tober 16.

A group of property owners
representing the south side of
School street had proposed that
the city arrange to widen School
street by fifteen feet, and 16 of
them were present at Monday's
meeting. Some were willing to
contribute fifteen feet towards
the widening, provided the city
would pay for paving and side-
walks involved. Others, however,
felt that creation of an assess-
ment district, in which owners
of property on the north side,
who would benefit from the wid-
ening but would be required to
contribute no property, should
contribute a just amount to-
wards the project.

Failing to obtain agreement
among the 16, the council set an-
other meeting for Monday, October
18, at which time it will be de-
cided what action will be taken.

New Speed Limit
An ordinance providing for the
reduction of the speed limit on
Junipero Serra boulevard from 55
to 35 miles an hour was drafted
and will be introduced at the regu-
lar council session next Monday.
The council also gave tentative
approval to an expenditure of ap-
proximately \$5,000 for the instal-
lation of traffic signals at School
street and Junipero Serra boule-
vard, Joint Highway District No.
10 will contribute a like amount.
Official action is expected to be
taken on this matter Monday also.

Edgemar Street
The council agreed to set a date
for a public hearing on the aban-
donment of a portion of Edgemar
street, near Lowell street, to make
way for a development consisting
of 125 new homes in that area. In-
stallation of a water system for
this district was estimated at \$24-
000, with the subdividing putting
in the mains and the city to repay
costs on a year-to-year basis.

Community Chest
Daly City's drive to raise \$6,000
its quota for the Community
Chest drive got off to a slow start
last week, with a shortage of vol-
unteer workers, it was announced.
Frank Blum, general chairman,
Friday.

Arnold Panella, business chair-
man, was showing some progress,
more residential canvassers
needed, Blum said. Workers
reach Blum at Juniper 7-2268
Douglas 2-5700.

Last year, Daly City received
the Community Chest benefits
was contributed by the area.
Mrs. Hilda Heagney, Mrs. Emma
Keefe, Mrs. P. Nolan, Mrs. E.
Miller, Mrs. James Hamilton, Mrs.
Lillian Haynes, and Mrs. Lorraine
Rhodes have volunteered their
services and are spear-heading the
drive almost alone.

**WHAT WAS NO EARTHQUAKE! THAT WAS
JUST THE OPENING OF KING'S MARKET**

For the first time since 1906,
there was a general exodus of
people in San Francisco to Daly
City, starting last weekend. And
it was like it will continue.

1906—Earthquake in San
Francisco. Hundreds of people
rush to Daly City, and many of
them stay to start a new town.
1948—King's Market opens.
Thousands and thousands of
people rush to Daly City, load
up, go back to San Francisco,
and come back later on to load
up again.

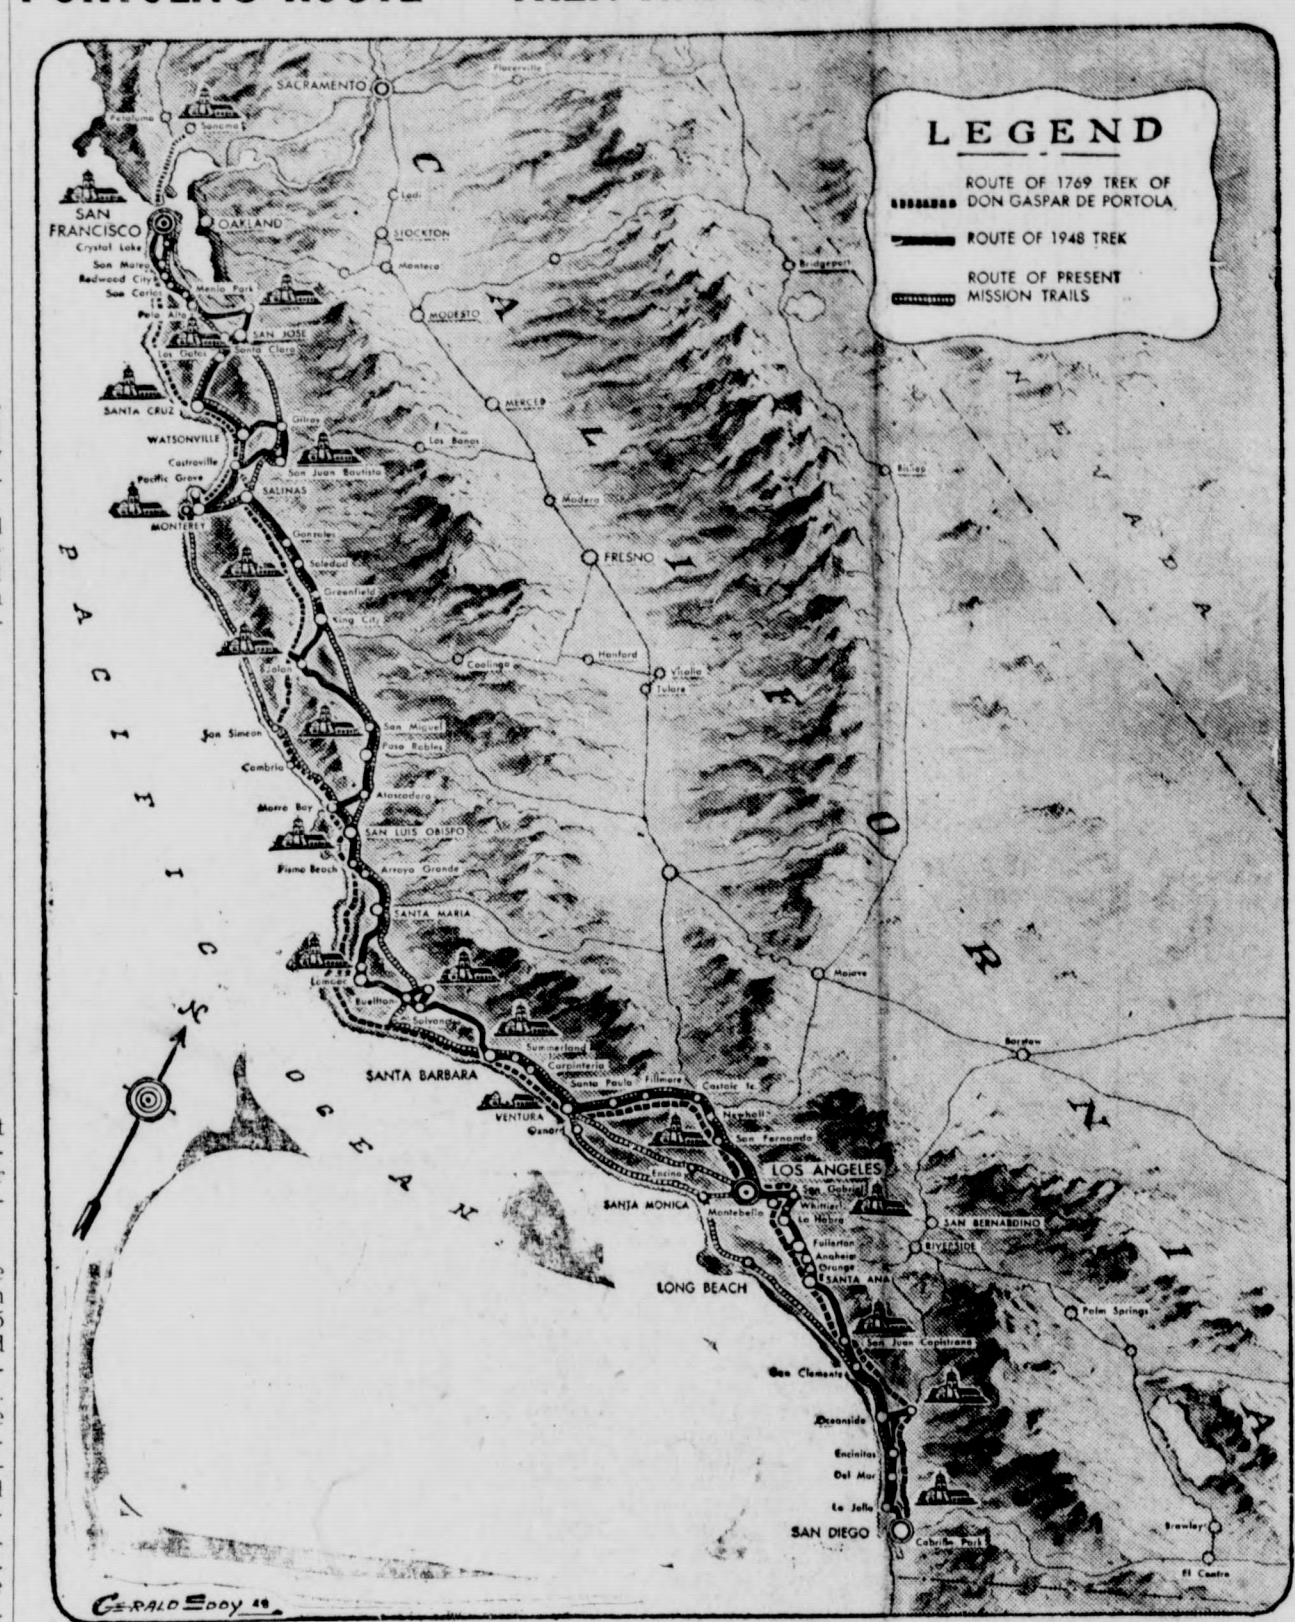

The biggest traffic jam in the
history of Daly City resulted, but
organization and cooperation
em to have brought the situa-
tion under control. The local po-
lice force found themselves out-
numbered in trying to cope with
the problems and Mike Jacobs,
operator of King's helped out the
authorities by hiring a number of
luncheon firemen to act as spec-
ial police during rush hours.

Jacobs, who started in the gro-
cery business as a delivery boy,
proved that a willing attitude,
hard work and courteous manner
pay off, for he is now owner of
the most modern and complete
market in northern California.

Employing a score of local poe-
ple, the staff is headed by Nate
Minkin, a resident of Broadmoor,
who has years of experience in
smooth market operations and
who has two watchwords—"Qual-
ity" and "Price."

King's is equipped with twelve
check-out stands which accommo-
date the market's shopping carts
without requiring any lifting on
the part of checker or customer.

VFW Dance At Bay Meadows -- Success

The first annual benefit dance,
sponsored by the Veterans of For-
eign Wars posts of San Mateo
county last Saturday at Bay Mead-
ows clubhouse, was acclaimed a
great success, with more than 2-
500 people turning out to dance to
the music of Ray Hackett and his
orchestra.

Through Commander Bill Swee-
ney of Old Glory Post, VFW, mem-
bers of the Daly City post extend
their appreciation to the people for
supporting the affair.

Proceeds from the dance, which
will be an annual affair, go to a
hospital fund for the benefit of
veterans.

FIRE PREVENTION WEEK POINTED UP WITH INSPECTION

Pointing out that most fires are
started by matches and careless-
ness, smoking habits, faulty electrical
wiring and apparatus, heating and
cooking stoves and just plain
carelessness, Fire Chief Elmer
Kennedy pointed up the observa-
nce of Fire Prevention week with
an inspection of all schools in
Daly City and unannounced
fire drills were held in the schools
Thursday.

Nationwide observance of Fire
Prevention week, October 3 to 10,
is aimed at reminding people that
carelessness is the cause of most
fires.

Daly City's loss experience con-
cerning fires has been relatively
low, but nevertheless it could be
improved upon, said Kennedy.

Lutheran Church To Be Dedicated Next Sunday

Bethel Lutheran Church, Ale-
many boulevard and Huron avenue,
will dedicate its new house of
worship Sunday morning at 10:30
o'clock, with Rev. Prof. A. H. Wes-
sling of California Concordia Col-
lege will deliver the sermon for
the Dedication Service.

The Rev. Herbert P. Schroeder,
pastor of the congregation, will be
in charge of the ceremony of the
opening of the doors and the ser-
vice. He will be assisted by F. W.
Mosiman, chairman of the building
committee, and Elmer H. Ohlen-
dorf, president of the congregation.

The second service will be held
at 3:30 o'clock in the afternoon.
The Rev. W. G. Ruehle will be the
speaker.

The choir, under the direction
of Waldemar Jacobsen, will sing
at both services. Mrs. Florence
Bredelohf is the organist. Miss
Frances Groves is the soloist in the
afternoon service.

The new church completes the
building program of the congrega-
tion which began in 1940 with the
erection of the parish house. Building
operations of the church began in
December, 1947.

PRO AND CON Both Sides of Westlake Picture

The Daly City Record has opened up its columns to both those
in favor of Annexation and those against Annexation. The 'For An-
nexation' articles are prepared by a committee headed by Al Sund-
strom and A. J. Bodien; those against, by Hugh Smith, Jr. and Fred
Klingler. The views expressed do not necessarily represent the
views or policy of The Record, nor does The Record assume respon-
sibility for the accuracy of statements made. In fairness to all, The
Record supplies the space free to both parties.

'YES' COMMITTEE IS COMPOSED OF MANY CITIZENS

The campaign for the annexa-
tion of the Westlake subdivision to
the territorial limits of Daly City
gained tremendous impetus this
week as a campaign committee of
several hundred people was mobilized
by the "Yes for Annexation"
citizens committee, it was an-
nounced by A. L. Sundstrom, gen-
eral chairman.

Citizens are being called upon
by the committee to vote "YES"
November 2 on approval of the
annexation ordinance, which was
passed by the city council in order
to promote the city's expansion
and development.

Sundstrom reported that public
sentiment is overwhelmingly in
favor of the annexation of Westlake.

"The people of our city are
aroused to the necessity of an-
nexation," said Sundstrom, "and
the enthusiastic response by
representative citizens to join
our 'Yes for Annexation' commit-
tee reflects the thinking of the
community."

"Our committee consists of men
and women from all walks of life,
who are determined that Daly City
shall forge ahead as a wide-awake,
progressive city."

"Westlake will give us more than
2,500 new modern detached homes.
The written agreement between
the city council and the owner of
the subdivision provides that lots
shall have a minimum frontage of
33 feet, but many of the houses al-
ready designed will be constructed
on lots of 40, 50 and 60 feet front-
age. The type of homes to be built
will be a distinct credit to our city
and we will have a residential
area second to none in the bay area."

"As soon as Westlake is annexed,
the entire 432 acres will be added
to the city's assessment rolls for
tax purposes. And as the land is
improved by homes and places of
business, the tax income will natu-
rally increase to give the city great-
er revenues and help lighten the
tax burden on present property
owners. For less taxation, vote
"YES" on annexation."

STREET DANCE AND PARADE SET FOR WELCOME OF PORTOLA RIDERS NEXT WEEK WITH GRAND BALL TO FOLLOW

3-Day Festival And Carnival Is Great Success At Church

Thousands of visitors to the an-
nual Festival and Carnival, Our
Lady of Perpetual Help Church
over the week end went away sing-
ing the praises of George Caligari,
Frank Denning and Bill Whalen,
who converted the school cafeteria
into a movie-set replica of a west-
ern boom town which was as realis-
tic as any movie scene.

The three-day festival ground to
a halt Sunday night after the most
successful performance in the
seven years of its existence.
Hundreds of parish workers,
merchants and just plain citizens
worked in cooperation to make an
outstanding success of the affair,
and Father William Stewart, who
was in charge of the program, ex-
pressed grateful thanks to all who
participated in making the event
a one hundred per cent success.

The school area was crowded to
capacity every night from Friday
to Sunday until after eleven o'clock
and many stayed through on Sat-
urday and Sunday to take their meals
on the premises. A meat ball and
spaghetti feed on Saturday and a
special ham dinner on Sunday at-
tracted hundreds of hungry patrons
at the carnival.

It was expected that the parochi-
al school building fund would ben-
efit to the extent of approximately
twelve thousand dollars when the
final tally was completed. The
school accommodates 450 eleme-
ntary school students, greatly reliev-
ing the heavy enrollment in the
public schools.

SCHOOL TRUSTEES LABEL DODGER AS ATTACK ON INTEGRITY OF CITIZENS

Members of the board of trust-
ees of the Jefferson School Dis-
trict today bitterly denounced
what they characterized as "er-
roneous and misleading" state-
ments made in a printed throw-
away circular, printed in the
name of the "Annexation Study
Committee."

Both Andrew Van Der Werff,
chairman of the school trustees,
and Michael Callan, another mem-
ber of the board, declared the
statements in the dodger were an
attack on the honesty and integ-
rity of the board and of members
of the Parent-Teachers Associa-
tion and prominent citizens who
supported the recent school bond
issue.

Van Der Werff assailed those
responsible for distribution of the
circular and said "there is not
the slightest foundation for the
innuendoes and slurs made in the
dodger."

Callan lashed out at the sup-
posed "Annexation Study Com-
mittee" for attempting to beloud
the annexation issue by smearing
the school trustees, and said the
circular "smacked of 'political
trickery.'"

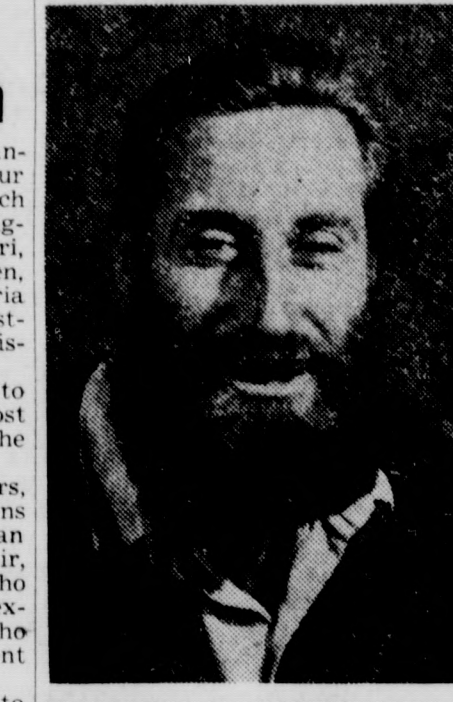

The "Study Committee," in a
hand-bill recently circulated, had
called the school board building
program a farce and claimed the
new buildings should be erected
within the city limits of Daly City,
instead of in neighboring area
contained within the school dis-
trict.

Van Der Werff said:
"The board, in cooperation with
Parent-Teachers' groups and civic
minded citizens, is trying in a
constructive manner to solve a
very trying situation in the local
school district."

"Rapid expansion of population
has taxed existing school facil-
ities to the limit, and it was nec-
essary to qualify the district as a
distressed school district in order
to obtain State funds for building
purposes. When State funds are
obtained, the state insists that
schools be built on proper sites."

"The false charges of this so-
called 'Study Committee' are a
slur, not only to the Board, but

nounced whiskerino contest at the

Muny Railway Holds Public Hearing On Proposed Fare Hike

Citizens have a chance to say
what they think about fares on
San Francisco's Municipal Railway
next Monday when the Public Util-
ities Commission will conduct a
public hearing on the subject.

Utilities Manager James H.
Turner has recommended adoption
of a straight ten-cent fare, elimi-
nating the three-for-a-quarter
tokens effective December 1.

Other recommendations present-
ed by Turner were issuance of a
25-cent souvenir ticket for tourists,
good for two cablecar rides; a
boost in student rates from three
and one-half cents to five cents,
and a raise in interurban rates on
the No. 40 line to five cents for
each zone.

Adoption of any of the recom-
mendations is subject to approval
by the Utilities Commissioners and
the Board of Supervisors.

The proposed rate increase will
affect all lines of the municipal
railway, including those services
which terminate in Daly City and
Broadmoor.

to our good parents, teachers, and
everyone who has tried whole-
heartedly to bring our schools up
to what they should be.

"It must be remembered that
the school district includes all
the territory west and northeast
of Daly City, as well as Daly City
itself, and the location of new
schools on new sites was made
necessary by the space require-
ments laid down by experts from
the State Board of Education.

"When the program is complet-
ed, the school situation will be
100 per cent improved, and we
are aiming our program for the
good of the children who will at-
tend the schools, and not for per-
sons with self-interest."

Callan said:
"The school system is under the
administration of the Jefferson
School District Board of Trustees,
and this Board is interested in
schools only. The city council of
Daly City has no jurisdiction over
schools, just as the school board
has no jurisdiction over municip-
al transactions."

"The school board has no inter-
est in annexation, as the land un-
der discussion is already in the
school district, and it looks to me
like this so-called 'Study Commit-
tee' is trying to beloud the issue
by falsely attempting to smear
the duly-elected members of the
Board. It smacks of cheap politi-
cal trickery."

**YOU CAN PAY YOUR
PHONE BILLS AT
BANK OF AMERICA**
Arrangements whereby tele-
phone users may pay their monthly
telephone bills at any branch of
the Bank of America in San Fran-
cisco, Daly City or Colma were an-
nounced today by Lyle M. Brown,
division manager of the Pacific
Telephone and Telegraph Com-
pany.

Final plans for a two-day cen-
tennial to honor the Portola Trek
as it passes through Daly City a
week from Saturday were com-
pleted at a meeting of merchants
and civic groups Monday at the
city hall.

The two-day celebration will
culminate in a centennial ball
Saturday night, October 16, at
Jefferson high school. Admission
is one dollar, and tickets may be
obtained only from merchants in
Daly City, the committee an-
nounced. At the ball, costumes
may be worn but will not be re-
quired for admission.

On Friday, October 15, the im-
pending arrival of Portola's fol-
lowers will be heralded with a
street dance at the corner of Hill-
crest drive and Mission street, with
the area roped off for the purpose.
Music will be provided by a west-
ern band.

The 8-piece "Westerners" or-
chestra will play at the high school
ball on Saturday.

Street decorations will be put
up on Mission street during next
week and will remain throughout
the celebration.

Edward Allen, parade chairman,
has practically completed plans for
the main show starting at noon on
Saturday.

The parade groups will form
with the Portola Trek at noon
in front of the city hall, and will
follow a route down Mission
street to School street; down
School street to Station avenue,
and over Station avenue to the
high school football field, where
a Portola Pageant will be pre-
sented for one hour.

Besides the Portola horsemen,
the parade will consist of the San
Mateo mounted Sheriff's Posse,
consisting of 40 or 50 riders, and
will be led by a contingent of 20
mounted, uniformed riders, dressed
as soldiers of Don Gaspar de Por-
tola, complete with plumed hats,
gauntlets, swords and hip boots.

The Rancho El Camino, a group
of 20 costumed riders, will also
participate, and 10 pure-blooded
Arabian horses, decked out as Arab
warrior horses will also be shown.
Hoists, bands and the usual
marching groups will also take
part in the parade, Allen said.

After the pageant at the high
school grounds the Trek riders will
be escorted to Mission Dolores in
San Francisco to touch off a
three-week celebration in the bay
city which is expected to surpass
any celebration in the past two
decades.

Jail Tenants Tear Up The Furnishings

Jefferson Walker, 106 San Jose
street, Sharps Park, didn't like his
surroundings last week.

His surroundings consisted of
the Daly City jail where he was
being held for the county on a
charge of being drunk in and about
an automobile. He protested by
tearing up the board flooring of the
drunk tank and using the boards
to break the window.

Walker was released on \$50 bail
and is expected to appear in court
Friday for trial.

The Daly City jail was again de-
faced this week when a woman be-
ing held on a drunk charge, acci-
dentally set the mattress in her
cell on fire. Damage was estimated
at \$20.

Silv. Moon Robbery Suspect Identified

Frank Ratto, proprietor of the
Silver Moon, 212 School street,
yesterday identified Mike Anton-
ovich as one of two alleged robbers
involved in the robbery of the
Silver Moon last month.

Antonovich was being held by San
Francisco police involving an
armed robbery in the city. Ratto
was called to see him on the possi-
bility that it may have been the
same man who, with a companion,
held up the tavern September 8,
escaping with \$875 in cash and
jewelry.

**Hoosegow, Kangaroo
Courts, Start Friday**
Throw away your razors,
boys, it's whisker time!
Starting Friday, October 9,
Hoosegows and Marshalls will
start rolling in preparation for
the Portola Festival here next
week, and all males caught
without beards or western garb
will be hauled in before a kan-
garoo court.

San Francisco Set For Portola Parade

That old care-free fiesta spirit, for which the west was so noted, will be revived and reign supreme during the Portola Festival and Pageant to be celebrated in San Francisco from October 17 to 23.

In a proclamation issued this week by Mayor Elmer E. Robinson of San Francisco, the citizens of the city and all visitors have been asked to don fiesta costumes for the festival days. City Supervisor Marvin E. Lewis, at whose instigation the Portola Festival was revived after 35 years, said, in putting through the resolution, "I envision our citizens and all our visitors participating in a city-wide celebration that will include every single person among us. The true carnival spirit is not dead. It will live again."

The seven days of the festival will be marked by ornate parades, beautifully decorated streets and parks, strolling troubadours, impromptu concerts, as well as dancing in the streets. Costumes can be home made and simple or may be ornate and expensive but must reflect some part of the early history of California. All of San Francisco's foreign districts will be decorated and residents will dress in their native costumes.

HI-LITES AT S. F. CITY COLLEGE

By Frank Galo

Free campus appearances by music groups such as Marion Anderson, Jaccha Heifitz, and San Francisco's Red Hot Peppers, plus scheduled performances for the concert season of 17 Thursday night Opera House performances are now available to City College students under a unique Symphony Forum plan. Sole prerequisite to membership is purchase of student season tickets.

SPORTS

The battling Ram football team captured its second victory in two starts at the expense of Vallejo JC, 18-0. Ollie Matson led the touchdown parade with a 53-yard punt return. Roy George and Ray Poznekoff scored the other touchdown. Poznekoff scored on an 18-yard pass from Bob Toquinto. It was Vallejo's second defeat in three years, thanks to Toquinto's excellent signal calling.

Starting in the backfield besides Matson was hard-charging Ken Foehr. Ken, who rambled all over the Vallejo gridiron, was deprived of a touchdown by an official's whistle. Foehr, who has yet to score a touchdown, is the most creative player on the ball club. This is evidenced by the statistics made by the "same" halfback.

In the Vallejo game, the line stole the show away from the backfield. Co-O'Brien was superb with his timely blocks. Poznekoff and Bill Toquinto played a great defensive game at end. Paul Olivier displayed his usual taken-for-granted stellar performance while Don Moventini, after a brief injury, tackled everything near him. Incidentally, the brilliant Moventini, along with Bill "Red" Shipp, are the only Daly City boys out of the 44-man squad.

The undefeated Rams next clash with a strong Sacramento aggregation tomorrow night at the Capital City. Rambling Bill "Limpy" Marow is expected to suit up after a two-week lay injury.

In soccer, Vic Scorzano's two goals were enough to tie the University of California, defending champs, 3-3, in the conference opener.

Basketball practice saw the return of last year's first string, namely Jack Marcus, Bob Greenwood, Terry McKeon, Bob Payne, and Jim Caldwell.

In intramural circles, Director Tom Wilson named energetic Harvey Roscelli, Ram track star, as assistant manager.

DIS AN' DAT
The City College band has refused to wear partial uniforms. Only the top half of the uniforms are available at present.

All proceeds of the San Mateo-San Francisco football game on October 22 will go to the Damon Runyon Cancer Fund.

Five first prizes from the San Mateo Floral Fiesta were garnered by students of the floriculture department. Harry Nelson, department head, announced.

Students who are interested in part-time jobs for the Christmas rush season were urged to file their applications with the placement office. This is to avoid last year's last minute rush.

STUDENT COUNCIL DOINGS
The current debate in the student council will decide whether or not wives of veterans will be issued Associated Students cards. If the cards are issued to them they will be entitled to student rates for all sports activities and social events, but will not be entitled to vote in student elections.

Priest Sends Letter Of Thanks To Public

Expressing appreciation and gratitude for the support given last week's Festival and Carnival at Our Lady of Perpetual Help School, Father William Stewart sent the following letter to The Record Monday:

October 4, 1948
The Daly City Record,
Daly City, Calif.
Gentlemen:

I would like to express through the Daly City Record my appreciation and gratitude to all who made possible the overwhelming success of the Carnival given by Our Lady of Perpetual Help Church on October 1, 2 and 3.

This year's Carnival topped all previous records. This happy result was made possible by the generosity, work and good will of the many parishioners and Daly City merchants, and the wholehearted patronage of the people of Daly City and the neighboring counties. A great deal of credit may be given to the Daly City Record for cooperating so splendidly in advertising the Carnival and in printing from time to time articles of interest concerning the Carnival, the work being done and the pre-Carnival dance. I am sure a great deal of interest in the affair and its Western theme was stimulated by these articles.

Thank you for your help and courtesy.
Yours truly,
Father William C. Stewart

Proud Father Passes Out Cigars

Mr. and Mrs. Ralph Capps of 196B Santa Barbara avenue, have cause for a celebration.

Their first child, a boy, was born October 5 at St. Joseph's hospital. Little David Allan weighed 6 pounds 6½ ounces on arrival.

Also sharing in congratulations are the grandparents, Mr. and Mrs. Alfred Rich, and Mr. and Mrs. Walter H. Capps.

Capps, World War II vet, is commander of Old Glory Post 410, American Legion.

'People's Problems' Is Subject At Church Meet

Mrs. John E. Strom of the S.F. Council of Churches will speak on "People's Problems" at a 12:30 luncheon next Tuesday at Grace Presbyterian Church on Hanover street at Evergreen avenue. The luncheon is sponsored by members of Circle 4 of the Women's Council of the church, with Mrs. A. Ankers as chairman.

Following the luncheon, Mrs. George Freeland will sing a solo. Proceeds will be used to purchase equipment for Sunday school classes.

All women in Daly City are invited to hear Mrs. Strom.

Aged Resident Plunges Off Golden Gate Bridge

Worried over four months' unemployment, Andrew Louis Pomerville solved his problems by leaping from the Golden Gate bridge Tuesday.

The 72-year-old butcher had lived in Daly City for the past four years and had been staying at 6848 Mission street.

Surviving are a daughter, Mrs. Edna Faber, formerly of Daly City, and two sons, Lloyd of Santa Cruz, and Leo of San Pedro. Funeral services will be conducted from the White Mortuary with burial at Woodlawn cemetery.

at the San Mateo County Blood Bank when he donated the eighth pint of blood to that organization.

In addition to these eight pints, he made seven donations to the Red Cross during the war, as well as three to the Irwin Memorial Blood Bank in San Francisco.

Thompson, over a long period, has placed himself on call to give his Rh negative type of blood, a rare classification for emergency transfusions.

Anybody Desire An Isle? Angel Island To Be Sold By WAA

Angel Island, historical San Francisco Bay landmark and "first port of call" for thousands of immigrants entering this country via the Pacific during the past 60 years, will be offered for sealed bid sale to federal agencies, state and local governments, and non-profit institutions in that order, it was announced today by the War Assets Administration.

Bids will be accepted from these groups until 4:45 p.m. October 15, 1948, at WAA's Office of Real Property Disposal, 1000 Geary street, San Francisco.

The offering comprises the whole of the island's 641 acres, together with tidal lands 300 yards out, and approximately 235 buildings and structures, some of which are subject to certain existing leases and permits.

Joe Castro Trains With Marines, Navy

Technical Sgt. Joseph Castro, USMC, son of Mr. and Mrs. Samuel Castro of 270 Irvington street, Daly City, is serving with the First Marine Division, which is participating in the amphibious training exercises in southern California under the command of Rear Admiral B. J. Rodgers, USN, commander, Amphibious Force, Pacific Fleet.

About 19,000 Navy and Marine Corps personnel, 56 ships, and 320 planes are engaged in various phases of the exercises. The exercises include amphibious landings at San Clemente Island and Camp Pendleton near Oceanside, California. Landings at San Clemente are supported by the use of live ammunition from gunfire support ships, and planes. About 600 students and faculty members from the Army's Command and General Staff College at Fort Leavenworth, Kansas, are on hand to observe the various techniques of amphibious warfare.

Eagles Auxiliary Hears 2 Speeches

Two informative speeches were given last week at the meeting of the Ladies' Auxiliary of the Eagles Colma-Vista Grande Aerie last week.

The first was given by Miss Kathleen Moriarity of the adoption agency of the Native Sons and Daughters of the Golden West. Miss Moriarity discussed adoptions and explained how and from whom adoptions should be made. She also told of some of the complications arising from the so-called black market babies.

Miss Frances Parrish of the Blind Center was the second speaker, and talked against Proposition 4. She stated that it froze aid to the blind, destroyed initiative, created dictatorship, removed legal safeguards and abolished legal rights of those handicapped people.

Refreshments were served by Sister Agatha Heyden and her committee which consisted of Sisters Ruby Miller, Lillian Miller, Frieda Pedersen, Audrey Manion, Hazel Keagle, Dolly and Rachael Davidson, Etta Mae Carter, and Clara Scally.

OLPH Mothers Club To Meet Friday At 8 p.m.

The Mothers' Club of Our Lady of Perpetual Help school will meet at 8 p.m. Friday in the library of the school. Mothers of newly enrolled pupils are cordially invited to attend.

Refreshments will be served after the meeting. The committee in charge will be made up of mothers of the kindergarten pupils under the direction of Mrs. Esther Nolan, hospitality chairman.

Magazine Whist Set By Woodrow P.T.A.

A "Magazine Whist" will be held by the Woodrow Wilson P.T.A. at 8:30 p.m. October 13 at the Masonic Temple.

Proceeds from the affair in previous years have been used to buy the California P.T.A. magazine for the officers. This year, as the officers are buying their own magazines, the revenue will be put in the general fund.

Mrs. William Hunter, magazine chairman, is in charge.

Nutrition Study Facts To Be Outlined Monday

Information on the "Cooperative Nutrition Study" will be presented by Miss Amelia Feary, public health nurse, at the executive board meeting of the California Congress of Parents and Teachers, 17th district. The meeting will be held at 10 a.m. Monday in the Peninsula Avenue school auditorium, El Camino Real and Peninsula avenue, San Mateo.

The study concerns the nutrition and health of the older population in the county and is being conducted jointly with the Home Economics department of the University of California.

All unit presidents and district chairmen are members of the executive board and are requested to be present. If the unit president is unable to attend, a representative from the unit should be sent.

Right, Mrs. O'Leary's cow was not guilty of starting the Chicago fire on October 8, 1871.

Carelessness in putting the lantern where the cow could kick it over was at fault.

It is carelessness that causes "cigarette fires"; it is bad installation and maintenance that are responsible for fires blamed on electric wiring and heating apparatus.

SUNSET A. C. ROMPS ALL OVER GRIDIRON TO WHIP MUSTANGS 32-2 AT JEFFERSON

The Daly brothers were not kind to the Daly City Mustangs Sunday when the Sunset Athletic Club galloped to a 32 to 2 victory on the Jefferson high gridiron. Nugget Daly and his brother Tom, Sunset halfbacks, had a field day as they passed and romped all over the lot, being aided by a powerful fullback named Lovesi.

The Mustangs, away off form after whipping a Selma eleven two weeks ago, couldn't get organized. Their vaunted passing attack failed and they handed the Sunsets numerous scoring opportunities throughout the game.

The scoring went this way:

In the first quarter, Nugget Daly took a lateral, skirted left end, and romped 70 yards to pay-dirt. He followed up in the second on a center that was good for a 40-yard touchdown and Lovesi converted to put the Sunsets ahead 13-0 at half-time.

In the last half the Mustangs gambled on a passing game which back-fired on them. Only once when Bob Plover tipped a 15-yard pass to end Bob Dyer that took the ball to the Sunset 20-yard line, and Joe Tudoni again tossed to Dyer on the four-yard line, did the Mustangs threaten. But they lost the ball on downs and scored when the Mustang forward wall blocked Daly's punt, which he recovered in the end zone for a safety.

Tom Daly scored the third TD in the third quarter when he dashed off left tackle for 15 yards to score standing up.

In the fourth quarter, after an interception of Tudoni's pass, Lovesi heaved a spot pass to end Finnegan which was good for 35 yards and another score. The Sunsets scored again in the final period when Bob Plover, chased 20 yards behind the line of scrimmage, attempted to get off a desperation pass which was stolen out of his hand by Finnegan, who loped 45 yards for the final score. The game ended with Sunset on the Mustang five-yard line.

Red Hustling, new fullback for the locals, tore off some yardage and appeared to be a hard runner, but he was not called upon to carry the mail often enough. The passing of Tudoni and Plover was ineffective, with 12 incomplete out of 16 attempts. Plover, a light-weight, who was knocked out an average of twice each half, picked up about 70 yards from scrimmage, however. He suffered a badly-wrenched arm and Gus Sola, guard, a torn instep tendon to head a long list of Mustang injuries. Apparently the team is just too light to stand the gaff of heavier competition.

The Sunsets rolled up 300 yards from scrimmage against 150 for the Mustangs.

Parents Pitch In To Clean Up Scout House

The Scout House at 101 Parkview avenue is sporting a "new look." Leaders and parents of the scouts last week gave the house a scrubbing and a new paint job.

Leaders cleaning the Scout House were Mrs. Angie Thur, Mrs. Hilda Heagney, Mrs. Selma Hamilton, Mrs. Cecil Saarinen, Mrs. Ethel Proschold, Mrs. Frieda Cady, Mrs. Genevieve Haynes and Mrs. Ray Miller.

Painting the building were Mr. and Mrs. Virgil Cady, Mr. and Mrs. Jim Hamilton, Mr. and Mrs. Al Saarinen, Mr. and Mrs. William Haynes. All are parents of scouts.

San Francisco, Sacramento and Marysville were three cities in California to have gas service.

LAKE MERCED GOLF CLUB CELEBRATES 25TH ANNIVERSARY

A five day celebration which started Wednesday and will grind to a close next Sunday is in progress at the Lake Merced Golf and Country Club, which hails its 25th anniversary this week.

The club was started in 1923 on what was then sand dunes and cabbage patches and has been developed and improved until today it is one of the most exclusive and popular golf clubs in California, with a tricky course rated with the best in the world. Only the clubhouse and first hole are in the city limits of Daly City, the rest of the course extending westerly in unincorporated area.

Lake Merced's 300 members held a golf tournament Wednesday, and that night followed up with a cocktail party and dinner honoring the club's first president, H. J. Brunner, who was present for the occasion. The anniversary festivities will close with another dinner Sunday evening.

John Haster, prominent insurance executive, is president of the club, with Al May serving as secretary. Directors include Irwin Heick, Joseph Wineroth, Ed Berl and Walter Nichoff. Charles Hook is general manager of the golf and country club.

Fathers' Night Planned By District PTA Group

The presidents and program chairmen of the Parent-Teacher Associations of the Jefferson School District met at the home of Mrs. Catherine Foreman, program chairman of the Jefferson Union High School Parent-Teacher Association, last Thursday, to plan for the annual Fathers' Night.

This will be a combined meeting of all the units and will be held at Jefferson Union High School October 21. All parents and friends are cordially invited to attend.

The units participating are Brisbane, Bayshore, Colma, Woodrow Wilson, Crocker, Sharp Park, General Pershing and Jefferson Union High School P.T.A.'s.

Girl Scouts Troop One Starts On Badge Work

Intermediate Girl Scouts of Troop One are working on their Second Class badges and are starting a "leather" badge at their meetings held every Monday at the Peoria Scout house.

Mrs. Wanda Michelsen is the leader of the group. She is assisted by Mrs. Margaret Prescott and Mrs. N. Larson. Mrs. Gotha Mejia serves as a member of the troop committee. These mothers are attending leaders' training held in San Bruno and Colma.

Daly City troops are members of the Daly City - Colma Girl Scout Association, an agency of the San Mateo County Community Chest.

CENTENNIAL BALL TICKETS ON SALE

Usually, it's the merchants who are stuck for tickets of clubs, fraternal organizations, etc. when celebrations or dances are scheduled.

However, for the Centennial Ball to be held at the high school Saturday, October 16, to wind up the Portola Festival here, tickets may be obtained only from merchants. Admission is \$1.00 per couple.

A gratifying response was reported since the tickets went on sale Tuesday, with the Daly City employees association taking thirty tickets and the police department fifty.

You can get yours at any store in Daly City. For a buck, that is.

The fortune teller is being kept as a surprise.

JEFFERSON HI FOOTBALL TEAM OPENS SEASON AGAINST MENLO HERE FRIDAY

An entirely new Jefferson high school football team will display its wares before local fans for the first time this year when the Indians tangle with an unknown Menlo high school eleven on the Jefferson field Friday at 3 p.m.

Featuring Reinhold Petersen in the T-quarterback post, Coach Glenn South's stalwarts will run the gauntlet of plays against Menlo in preparation for league competition which opens on October 15.

Competition for the first team is keen, South said, and there is plenty of opportunity, with only one hold-over from last year's third place eleven. Right halfback Rico Ottonello is the only first-stringer returning from 1947.

The probable starting line-up will be:

LE—Henry Morgan
LT—Frank Druhan
LG—Richard Bradford
C—Jim Giannini
RG—Tom Pagni
RT—Paul Willbanks
RE—Don Wall
Q—Reinhold Petersen
LB—Don Lunghi
RB—Rico Ottonello
E—Roy Ostergran

The complete squad lists the following players: Vincent Baggetta, Ed Baron, Richard Bradford, Leo Bricker, Jim Crawford, DeWayne Carner, Ronald Crowell, Roy Childress, Frank Druhan, Ken Dillard, Leo Ewing, Don Greene, Jim Giannini, Leroy Gonzales, Jim Harrison, Bob High, Bob Lorenzo, Don Lunghi, Art Lauffenburger, Jess Martinez, Don Monsweiss, Harry Morgan, Roy Ostergran, Rico Ottonello, Reinhold Petersen, Bob Stritt, Tom Pagni, Bob Pilgrim, Lou Piccolotti, George Ritter, Don Robertson, Ray Settrini, Walter Sheriff, Ken Sanguinetti, Al Salabea, Al Smurthwaite, Horace Sino, Richard Stahl, John Sweet, Bob Tann, Paul Willbanks and Don Wall.

Football managers are Gilbert Bane and Jim Watson.

The Bear Flag of the California Republic was first flown on June 14, 1846, at Sonoma.

HI-LITES

Jefferson Union High School

by Carol Donaldson

The new class officers were elected at separate class meetings held Monday, September 27. The freshman class elected Faustino Quintivos president; Magdalena Merino will lead the sophomore class, Al Smurthwaite the junior class, and Bob High will represent the low seniors. The February graduating class chose Reinhold Petersen as president.

The annual hearing tests were given in gym by the gym teachers October 4, 5 and 6. These tests are given every year to check on hearing.

Jefferson's cafeteria serves about 260 meals, this term, each day. The regular lunch, which consists of a main entrée, salad, vegetable, bread and butter and milk, is 30 cents. There is a choice in the main entrée. The food is paid for in part by the state and the remainder of the cost is paid by the students. The students are served the meal at cost.

Wednesday an assembly was given in which Ray Settrini and Leola Huber told about their trip to Boys' and Girls' State this summer. They were chosen to represent Jefferson by the students last term. This is a comparatively new plan but one that has met with much success and approval. The purposes of these yearly meetings are to further the students' interest and knowledge of the ways of government. The group, a girl and boy representative from each high school in the state, meets the first two weeks in the summer in the state capitol. These talks were very interesting and informative.

A plan which has met with much approval from the students is that this year the student body will sit in unassigned seats in the assemblies. This practice will be continued if there is a minimum of feuding, fussing, and fighting.

San Francisco's current water consumption is nearly 110,000,000 gallons daily.

JEFFERSON INDIANS DROP GRID OPENER TO WASHINGTON HI

An ill-fated pass which resulted in an interception and a 50-yard touchdown run, gave Centerville's Washington high school a 13 to 6 football victory over the Jefferson high Indians in a night game Friday at Centerville.

The Indians were on a sustained march to pay dirt themselves when Peterson's pass was stolen from mid-air by a Washington back.

In the second period, the green Indian team fumbled on their own 30-yard line and Centerville took over to score again on a running play.

Trailing 13 to 0 at the half, Jefferson came back with a quick-opening play off their tricky T-formation and Rico Ottonello scored from five yards out for the Indian's only touchdown.

The game, a practice contest, gave Coach "Cookie" South his first opportunity to evaluate his charges in action. With practically an entire new team from last year, there is plenty of competition for all positions. Ottonello at right half is the only holdover from the 1947 eleven.

However, South looks for a lot of improvement and says his team will give a good account of themselves in P.A.L. competition, which the Jeffs open on October 15 against Palo Alto at the Jefferson stadium.

Ray Settrini and Jim Harrison sustained injuries in the Washington game and will probably be lost to the Indians for two more weeks.

Tot Playing With Matches Sets Blaze

Fire prevention week got off to
an auspicious start Monday, when
Danny Long, 3, of 667 Hanover
street, decided to go up to his at-
tic and play with some matches.
Before long, passersby noted
smoke pouring from the upstairs
windows and put in an alarm.
Companies one, two and four re-
sponded on the double and
brought the blaze under control
in time so that Danny, luckily,
was not injured.

However, bed and mattresses,
drapes, a lamp and clock were
burned. Had the fire gone un-
detected for a little longer, a con-
flagration would have resulted,
according to fire inspectors.

Other fire incidents brought out
the unique circumstance of four
successive alarms being turned in
from a single fire box, number
312 at Junipero Serra boulevard
and California avenue.

First, two separate grass fires
were called in. Later, a brush and
debris fire near Lake Merced Golf
and Country club was extinguish-
ed, only to be followed by a
fourth alarm in which a shack on
Pacific Aggregates Company prop-
erty was found burning and
brought under control.

Despite the incidence, fire de-
partment officials were of the
opinion that the blazes were not
of incendiary origin.

Ex-GI Returns To Daly City; Now At Quickie's

When Kenneth Meisler was a
GI at Camp Daly City during the
war, he couldn't make up his mind
whether to return to his home in
Belair, Ohio, after the war, or
move to Daly City.

Upon his release from service he
went home, but finally decided that
California is the best place to live.

Meisler is now associated with

street next to the Del Mar Theatre,
where he keeps busy dispensing
lunch and dinner to Quickie's cus-

Donation Of Books To Servicemen Gets Reply From New Guinea Isle

Remember those books you sent
to servicemen overseas during the
war? They are still rambling
around the far corners of the earth
bringing many hours of enjoyment
to persons stationed in desolate
parts of the world.

Proof of this is found in a letter
from New Guinea recently re-
ceived by Mr. and Mrs. Jay John-
son and their daughter Darlene.
The letter follows:

Australasian Petroleum Co.
Port Moresby, Papua
September 7

"Dear Nell, Jay, or Darlene,
"By an odd chance, I came into
possession of a book — 'The House
of the Seven Gables,' which has an
inscription on the cover, asking the
reader to drop a line to California.
It may amuse you to hear what
little I know of its post-war ram-
bles, and it would certainly amuse
me to know if this note reaches
you."

"I am an Australian, employed
by a company which is engaged in
searching for oil in New Guinea
and Papua, and my work takes me
into many peculiar places in both
territories. At the moment, I am
camped on a large, and extraordi-
narily muddy river, some three
days' walk from the Government
station of Aitape, on the north
coast of New Guinea. The nearest
white person is a missionary, who
holds any mail which happens to
trickle through, until I can send
for it. He also sends me books from
his library when he happens to
hear of natives who know my
whereabouts. 'Seven Gables' is one
of these books."

"The missionary, in reply to a
note from me explained how he
came to have this novel in his
collection. During the war, your
countrymen established a naval
and air base at Manus Island, off
the New Guinea coast, and 'Seven
Gables' found its way into the rec-
reation rooms attached to the air
field. Australia took over Manus
recently, and the contents of the
rec. room were distributed amongst
the dozen or so mission stations
scattered along the north coast.
I've read dozens of books which
were once in an American library,
and wondered why a missionary
had such a strange assortment.
Now I know, and now — perhaps
you know what became of at least
one book which you sent to a man
in the service. Incidentally, I en-
joyed it, and thank you."

"Should this reach you, and
should you feel like telling me
whether any other person has told
you of other travels of 'Seven
Gables,' a letter to the above ad-
dress will certainly find me — eventu-
ally."

"Best wishes,
Geoff Ireland"

Johnson is still collecting books
to send to the boys overseas. Any-
one wishing to donate books for
this purpose may call him at JU

Broiling, Roasting Charts

"How long should I BROIL meat?" — "How long should I ROAST meat?"

These questions, often asked by housewives, assume added importance today when high prices make everyone anxious to cook food with a minimum of shrinkage and spoilage.

The following charts, prepared by the American Gas Association, provide a guide for perfect results on the new gas ranges.

Time Chart for Broiling

BEEF: 3" from flame • Sirloin or Porterhouse 1" Medium 10-15 min. 1 1/2" Rare 13-18 min. 1 1/2" Medium 18-22 min. Ground Beef Patties 1" Rare 12-15 min. 1" Medium 15-20 min. Liver (sliced) 1/2" 10-15 min.	PORK: 4"-5" from flame or reduce flame Bacon 4-5 min. Ham smoked (tendered) 1/2" 10-12 min. 1" 15-20 min.
LAMB: 3" from flame Chops 3/4" 10-12 min. 1 1/2" 15-20 min. Ground Lamb Patties 1" 15-20 min.	CHICKEN: 4"-5" from flame or reduce flame Halved 20-40 min. FISH: Thin, buttered, 2" from flame 1/2" 8-10 min. Thick, buttered, 3"-4" from flame 1"-2" 15-18 min. Lobster 30-40 min.

Time Chart for Roasting

NEW FOOD SUPPLY? — A new understanding of photosynthesis, nature's way of producing the world's food supply from sunlight, water and the chlorophyll in green plants, is being brought about in atomic research at the University of California.

Here a scientist counts radiations from radioactive atoms absorbed in barley leaves. Complete understanding of photosynthesis may increase substantially the world's food supply and make possible the farming of "crops" in the sea.

OFF TO SCHOOL!

School bells are ringing for the first time this month for these two young gentlemen. The youngster at left seems a bit dubious about the fate that awaits him at a kindergarten classroom, but his beaming buddy thinks it's going to be a wonderful place. They're well-dressed scholars in outfits by Johnston in cotton Zeppheroy overalls, cotton twill jackets, and knit caps trimmed with matching corduroy tops.

A news item says that "regular service started on San Francisco's first cablecar railway on September 1, 1873."

It has been irregular ever since, we guess.

VFW Launches Drive To Get Members

Veterans of Foreign Wars throughout California this month launched a membership campaign aimed at bringing 30,000 eligibles into the organization.

All men who served in the armed forces overseas in any of America's wars are invited to sign with the largest organized group of overseas war vets in the world.

The V.F.W., in the legislative field, last year actively supported terminal leave for enlisted men, increased burial allowance and beneficial changes in National Service Life Insurance.

Currently the V.F.W. strength is actively marshalled in support of adequate low-cost housing, full veteran employment and World War II adjusted compensation (bonus) among other benefits.

Thousands of dollars are spent each year in California by the V.F.W. to help ALL veterans proceed with claims for service-connected disabilities. In this state alone last year, millions of dollars in benefits were recovered in cases processed by the V.F.W.

Eligible veterans may contact Bill Sweeney, commander of Daly City's Old Glory VFW Post, by phoning JU 7-7711. The post meets on Fridays at Little Italy Hall, across Mission street from the Daly City Theatre.

STOP SIGNS

Motorists are advised to obey arterial stop signs at all times. That does not mean merely slowing down, quickly shifting into second gear, and then dashing off again. The signs say "stop" and are put there for safety's sake. And for his own sake each motorist should come to a full stop before proceeding on his route.

Democracy Talk

Mrs. J. D. Forbes, director of Extension of San Francisco Second District, will speak on "PTA Membership in a Democracy," at the next meeting of the Longfellow Parent-Teacher Association to be held on Thursday, October 14, in the school auditorium at 1:30 p.m.

PROTECT YOURSELF

When a foolish driver dashes by you on the wrong side of the road and attempts to crowd in front of you, don't speed up and prevent his pulling in. There's no sense in risking your own neck should oncoming traffic neglect to stop for the driver in the wrong lane.

NEWS FROM THE SCHOOLS

WOODROW WILSON

The L3 grade in Room 9 is learning how to do cursive writing and are very proud of their accomplishment.

The H3 grade is studying health and has listed a set of health rules for its members to live by.

An interesting study of the world being carried on in our classroom. The children are learning the shape and physical features of the world.

The L3 and H3 grades in Room 1 have enjoyed their study of shells and simple water animals in lakes and along the seashore. They are wondering whether the hills and mountains will be as interesting. The L3 grade is getting real enjoyment from learning how easy it is to write after they have been printing for so long. All of the group enjoyed visiting the H3 and L4 grade for music on Friday.

The L4 is having a geography review before beginning its study of California. They are learning room and map directions, the names of the continents and oceans, and a title of the climate zones of the world. They have also learned that Daly City is in San Mateo county, California.

The fourth grade study of California will begin with the California Indians whose lives and customs will be studied next week.

The boys and girls of the H4 and 5 grades are learning to recognize the imaginary lines on our maps which distinguish the different zones the world is divided into. They made world maps and separated the zones, which we colored each a different color so we could easily see the division on our maps.

The fifth grade boys and girls saw an interesting film this week about our western states. They are studying "California of Today" so they were interested in the many things shown about the products of our state.

The L6 grade has two new pupils, Mary Hall, formerly of Jefferson, and Howard Klein of Alamo in San Francisco.

The boys and girls are getting along well with fractions in arithmetic and are progressing very well in social studies, having crossed the Appalachians into the Ohio Valley and the Louisiana territory.

The students of the L7 are studying about early man and his progress toward civilization. The first important step toward civilization was taken when early man learned to make use of fire to cook and make pottery, and to light his dark surroundings.

The students of the H6 are studying about the discovery, exploration, settlement, and colonization of the Americas. They are learning the explorers, the reasons for the voyages and discoveries, and the lands discovered.

COMMUNITY CHEST

of the student Community Chest Red Feather campaign is not for the dollar and cents return, but for the educational value. Educating the citizens of tomorrow to participate actively in community campaigns awakens these young folks to a realization that to share, to sympathize, to be tolerant, to have insight and understanding, are the major goals of the schools today.

A red feather silhouetted against a white background, drawn by Leonard Mullen, H8 grade student, is on the bulletin board in each classroom. As each individual student contributes to the campaign, regardless of the amount, he signs his name on the red feather. Rooms having 100 per cent participation in the campaign will receive a star on their red feather. Supplementing the classroom incentive, is a similar large red feather in the hall of the school upon which the percentage of participation of individual classrooms will be recorded. Incentives of this type, add zest and enjoyment, and stimulate worthwhile community activity to play a functional part in the citizenship program of the classroom.

The first group in the school to achieve 100 per cent class participation in the Red Feather cam-

paign was the H8 who reached the goal the second day of the drive. Following in sequence are the other rooms in the building and their subsequent percentages: 2nd — L7-H7, 100 per cent, Room 5; 3rd — L6, 100 per cent, Room 3; 4th — L8, 100 per cent, Room 6; 5th — L5-H5, 100 per cent, Room 2; 6th — H6-L6, 82 per cent, Room 4.

Continuing with their study of ancient civilizations, students of the L7-H7 learned that the Egyptians thought that crocodiles had an effect on the yearly Nile floods, due to the supposition that many of these huge reptiles came down with the flood waters.

Students of the L5-H5 have begun their unit "California Today." They have gathered definite facts which they wanted to know. This week to supplement these facts lantern slides will be shown "Living in the Pacific States."

The sixth graders are very enthused over receiving "spic and span" new arithmetic books, which will take the place of the previous state text. Other classroom activities planned for the L6 are still-films which will be shown to supplement the geographic concepts in regard to "Weather and Climate."

OREGON CAVES

Oregon Caves, located near Grants Pass in southern Oregon, are reported to have been discovered in 1874 by a pioneer hunter who was following a wounded bear. Burrowing deep into Mount Elijah, the caves, are comprised of more than two miles of passageways and marble rooms that are filled with many fanciful formations.

California's commercial timber resources are estimated at 33 billion board feet of redwood and 148 billion board feet of pine, fir and other species.

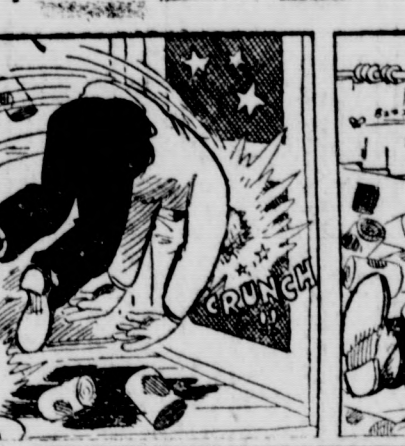

"SCHOOL SLOW" SIGNS

There is no reason why the motorist should be confused by the word "slow" in the signs exhorting them to caution in the vicinity of schools and playgrounds, points out the National Automobile Club. It does not mean any specific speed in many instances, but rather that the car should be kept under such control that it can be stopped in the assured clear distance ahead.

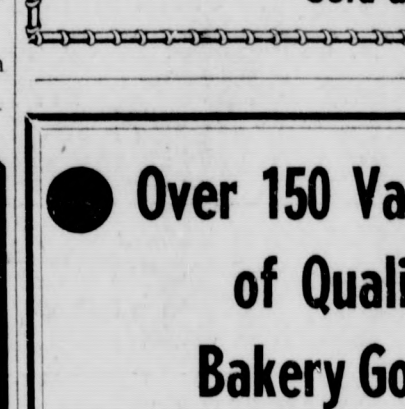

A gentle wind is one that blows eight to 12 miles an hour.

Canada produces more gold than the continental United States.

WHERE TO GO, WHAT TO SEE, WHAT TO DO

Among the fairs and festivals to be held over the coming weekend will be several which celebrate the 1948 California vintage — October 9th marking the opening of National Wine Week. A variety of other events, from an air fair to a Spanish "Feast of the Moon" are scheduled up and down the State. Following is a list of events to be held:

Ukiah Vintage Centennial Celebration, Ukiah, Oct. 7-10
Columbus Day Parade & Celebration, San Francisco, Oct. 10 (Civic Center, 2 p.m.)
S.F. Jr. Chamber of Commerce Air Fair, San Francisco Airport, Oct. 10, 12-5 p.m.

Paso Robles Annual Pioneer Day, Paso Robles, October 12
Fresno District Fair, Fresno, Oct. 5-10
Delano Wine & Harvest Festival, Delano, Oct. 7-10
Ventura County Fair, Ventura, Oct. 6-10

Padua Hills Festivals, Padua Hills Theatre, Claremont, begins Oct. 6 through November 20th
Farmers Fair & Festival, Hemet, Oct. 6-10
Fiesta de La Luna, Chula Vista, Oct. 7-9
Fullerton Fall Festival, Fullerton, Oct. 7, begins at 4 p.m. (Parade)
Rock'n Ride All Western Horse Show, El Cajon, Oct. 10

Boom Daze Celebration, East San Diego, Oct. 9-10
National Doll Week Show, San Diego, through Oct. 9

The national average of cotton production is only 260 pounds to the acre.

Fleishaker Pool in San Francisco is the largest outdoor swimming pool in the world.

PENINSULA NOTES

"The Rudolph Valentino of the Accordion," Dick Cantino, had to be rescued by police when he made a personal appearance before the Sequoia High School student body last week. Cantino was a featured star on the San Mateo Fiesta stage show.

The students demanded encores until Cantino was too physically exhausted to continue.

Ferrell Flares
District Attorney Ferrell threw a verbal punch at Admiral William H. Standley, state crime commission head, when the Admiral named San Mateo among counties where he said slot machine and punchboard "protection" rackets needed investigation. Ferrell gave the county a clean bill of health.

New Gas Supply
Installation of 18 miles of 30-inch gas main from Crystal Spring lake to San Francisco's Potrero gas plant will increase San Mateo and San Francisco's natural gas supply by 89 million cubic feet per day.

One hundred men are working on the Skyline boulevard project, which will cost the Pacific Gas and Electric Company more than \$2,225,000.

Garden Pick Up
Free pick-up of lawn cuttings, shrubs and tree trimmings in South San Francisco was started this week.

The city will pick up 30 gallons of such refuse one day a month, without charge.

San Carlos will take up the matter of a city manager form of government at their next council meeting on Monday.

The San Carlos council hopes to take advantage of a plan authorized by the state legislature three years ago, whereby a city manager may be employed by the passage of an ordinance, instead of submitting the matter to the voters. A similar plan was adopted last year.

Employ The Handicapped Week Calls Attention To Source Of Workers

This week, October 3 to 9, has been dedicated as "National Employ the Physically Handicapped Week" by President Truman, and a nation-wide campaign has week to point out the excellent source of manpower available through the employment of handicapped persons. Research has proved that, when persons equal the workers and that they are less prone to accidents and absenteeism.

Employers may find many well-qualified handicapped workers through the California State Employment Service or the Veterans Administration.

by the city of Menlo Park. On the other hand, last year the people of Burlingame voted on a city manager and defeated the proposition at the polls.

WESTLAKE FURNITURE READY TO OPEN IN NEW STORE NEXT TO HIGH SCHOOL

One of the finest and most modern furniture and appliance stores in San Mateo county will open on or about October 15, when Westlake Furniture opens its doors in the new Dolan building at 6940 Mission street, next to Jefferson high school.

Dino Ruggeri, Guido Brocchini and Dominic D'Augusta, owners of Westlake Furniture, were busy this week arranging stock and making last minute preparations for the opening. Brocchini, with fifteen years of experience as a decorator and furniture expert, said the new store would feature every item of home furnishing, from the most modern to the most practical in design. Dominic D'Augusta, formerly of North Beach, where he grew up with Joe Di Maggio and was president of Salesian Council, Y.M.C.A., and Dino Ruggeri, the other partners, are also experienced in furniture and decorating

needs. "Westlake Furniture will be more than just a furniture store," Brocchini said, "in that we will plan and consult with our customers on the proper design for each particular home. Instead of merely selling a chair, we will sell a chair for a particular place in a particular room, and we can advise on how it will fit in its home environment. Complete, planned home decorating is our stock in trade."

The new store will be open every day from 9 a.m. to 6 p.m., but will keep the door open until 9 p.m. on Fridays for the convenience of customers. A new parking strip is being readied by Dan Dolan next to the store.

Rugs, lamps, furniture for every room in the home, bedding and appliances will be featured at Westlake, and time-payments may be arranged.

BROADMOOR VILLAGE NEWS

By Dorothy R. Levitan

A Sunday drive through Broadmoor Village finds many interesting activities going on. The old established residents of the tract are repainting homes, building fences, working in gardens or basking in the sunshine on their new patios. The newer residents are putting in lawns, building walls and trying to prepare for when the "rains come." On top of the hill, construction of new homes is being carried on at a rapid pace. These hilltop homes can really boast of a view!

The Sunday driver will stop and catch his breath at the corner of Louvaine drive and Washington street... is he in Los Angeles or Colma? Yes, it's a swimming pool!

The lucky owners are Col. and Mrs. Lawrence Mize of 1844 Louvaine drive.

A seige of "mop parties" has taken hold in the Village. "Mop parties" seem to crop up periodically and the rush is on again. Recent hostesses have been Lee Johnson, Phyllis Yong and Robin Kelleher. After some village-chatter and a look at the salesman's line of mops, the gals enjoy an evening of bridge. Lotsa fun and prizes for all.

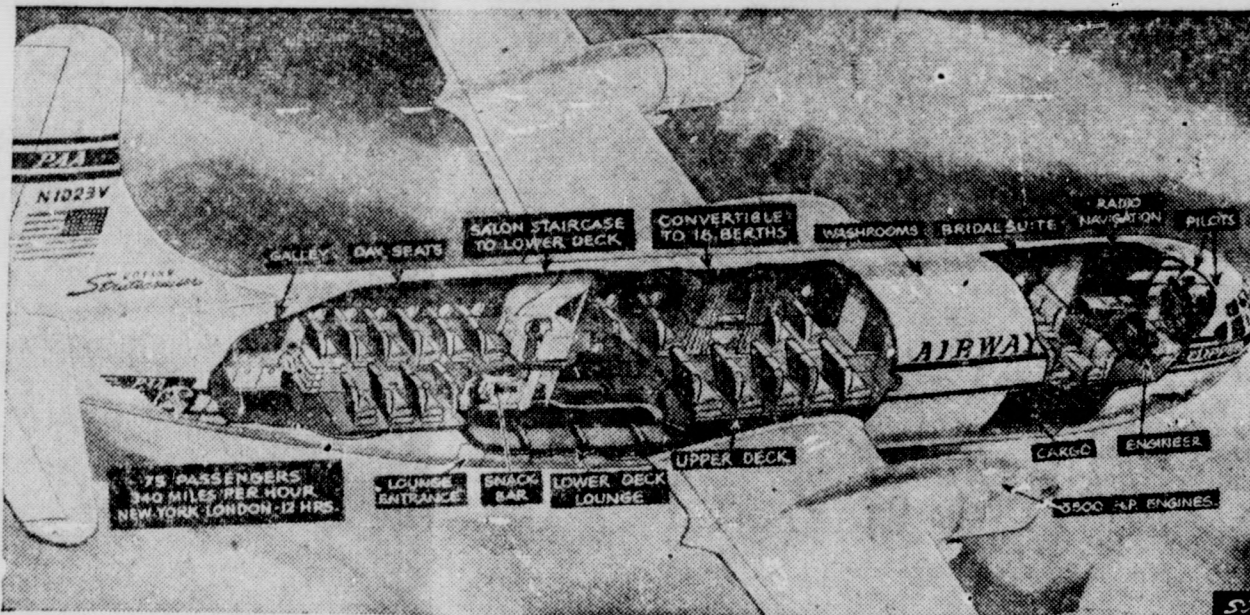

Little Ruthie Thompson, daughter of Mr. and Mrs. Lamont L. Thompson, celebrated her fourth birthday on October 2 with a party for 16 youngsters. The Thompsons

are new residents of Broadmoor, having moved into their home at 1032 Nimitz drive only three weeks ago. Mr. Thompson is a salesman for radio station KQW.

The Larry Greens, 631 Manila way, have had visitors the past week. Here from the San Benito mountains are Mrs. Green's sister and brother-in-law, Mr. and Mrs. Wilson.

A joint birthday party for Cathy and David Drotar, 908 Heather road, was held September 26. Cathy was four and David, six. Birthdays of Mickey Coppola of 415 88th street and Robbie Ellison, 619 Midway, were other big events of the past weeks.

Castle in the Clouds

Here's an "Angel's Eye" view of the most luxurious thing a-wing, the new Clipper America of Pan American World Airways' ever-growing fleet. A double-deck plane, it gives the passenger freedom of movement, which has never been available before. With lounge, bar, berths and chef-cooked meals, there is a stability about it in the air that completely relaxes the passenger. Its first flight will be between San Francisco and Honolulu, and then between New York and London. Eventually the Boeing-built Clipper will also be used extensively on Pan American's proposed domestic routes.

News Notes From San Mateo Jaycee

Spirit is high on the San Mateo Junior College campus as the students look ahead to the conference football game at Stockton College this Friday evening. The students have been backing their team with parades and a big evening rally — and the team came through with a win last Friday night in the Rose Bowl, beating John Muir College of Pasadena, 18 to 12.

San Mateo opened the practice season with 83 men reporting for duty, most of them being newcomers. From that squad San Mateo's coaches, Muris McFadden, Lee Bissett and Herb Hudson, developed a team that outplayed a veteran Muir eleven to roll up impressive yardage and three touchdowns, while holding Muir scoreless until the fourth quarter.

The game this Friday opens the league play for San Mateo. Stockton, a powerful squad last year, opened the 1948 season by defeating the College of Marin, a conference foe. Stockton then lost a heartbreaker to Hartnell College of Salinas after leading most of the game. The Matens expect to have a number of rooters and the band

Church Of Nazarene In Fortieth Year Sunday

The Church of the Nazarene, located at the corner of Santa Barbara and Vista Grande avenue, will join a celebration of the fortieth anniversary of the organization of the Church of the Nazarene as a protestant denomination next Sunday.

A rally day program to celebrate the event will be given by the Sunday school. Participating in the event will be Dennis Sokol, Wanda Hawthorne, Janet Swafford, Linda Angle, Tony Galli, Chris Hansen,

Removing Water Marks

A damp cloth sprinkled with a few drops of ammonia or spirits of camphor will remove water marks on furniture.

Edward Griffith, Teddy Somner, Judy Uhrig, Carol Todhunter, Naomi Owensby, Jo Hanna Hedvelli, Garry Del Garner, Marcus Glover, Diane Thompson, John Carter, Caroline Camerine, James Hawthorne, Beverly Wheeler, Robert Griffith, Carol Glover, Norma North.

The entire Sunday school will present the Rally Day song and the junior class will sing "Books of the New Testament."

Mrs. Edna Hawthorne will be the pianist with Mrs. L. K. Clark as program director.

The local Church of the Nazarene was organized in 1932, according to Rev. Merline Swafford, pastor of the congregation.

The public is invited to attend the special program which begins at 10 a.m.

DO use arm signals to warn those behind you when you intend to slow down, stop or turn. Bicyclists must follow rules of road just like motorists. In 1947 bike death toll of 550 is to be cut.

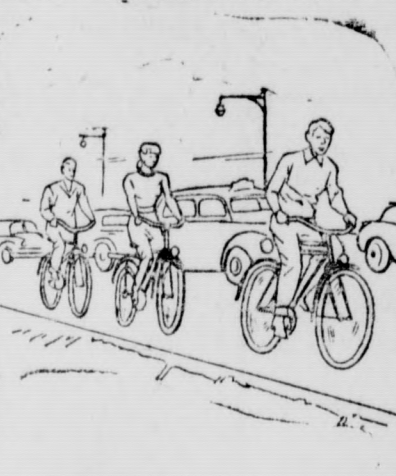

DON'T carry passengers on the crossbar, handlebar or fender. Never break this rule, even for the best girl friend. Extras make bike hard to handle, is one of chief crack-up causes.

DON'T hitch to moving vehicles of any kind. This is one of the most dangerous bike stunts, takes many lives and brings countless injuries. You are in danger from every direction.

DO have a dependable headlight on front and clean reflector on rear for night riding. Risk goes up as sun goes down, so smart riders will have bike in garage by nightfall to be safe.

DO ride single file on the extreme right side of the road. Riding abreast or weaving in and out of traffic slows vehicles, confuses motorists and boosts chance of accident.

DON'T ride bike on sidewalk when there are pedestrians or playing children. Dismount and walk your bicycle around them.

NATIONAL SAFETY COUNCIL

Last-Minute Seasoning
Add the fat for flavoring vegetables either just before the vegetables come off the stove or after you have them in a serving dish. You can get more seasoning effect from less fat that way.

Marco Polo's Discovery
Marco Polo, on one of his journeys to Asia, learned the secrets of making milk and water ices and brought the recipes back with him to Italy.

terans in San Mateo county been asked this question by D. Granger, veterans service officer.

your correct address on file the Veterans Service Office, though you have no immediate problems regarding compensation, GI Bill subsistence or other benefits?

many cases, Granger explained, veterans lose valuable time establishing their right to present address is not on file the proper agency.

is understandable if a veteran is not applying for benefits at the moment, Granger said, but pointed out that many veterans now interested may some day prompt assistance on such matters as hospitalization, insurance, or compensation, with advance action toward personal information up to may serve as a "stitch in time" he added. It has also proved a valuable step to have taken for benefit of the veteran's dependents.

l veterans in San Mateo county invited to help themselves by giving their names, addresses, and other pertinent information on file at the Veterans Service Office, located at the courthouse, Redwood City, phone person 6-5711.

ADERA

adera, county seat of Madera county, grew out of the demand for in the East, hence its name "adera" meaning "wood" in Spanish. A 65-mile flume floated logs from the Sierra to railroad from 1874 to 1932.

Emp. Handicapped
Persons This Week

A 23-member committee, one of nearly 100 similar groups in California communities, has been organized in San Mateo county to bring to its annual climax the year-round campaign to translate physical handicaps into economic assets.

Floyd D. Granger, chairman of the local Committee on National Employ the Physically Handicapped Week, October 3-9, said today that a full-scale effort is being mapped out here to show employers that handicapped workers in suitable jobs are at least as reliable, efficient and productive as those without physical impairment.

As proof of the true worth of physically impaired employees, Granger pointed to a recent study made by the U. S. Department of Labor in cooperation with the Veterans Administration.

A comparison of 11,000 workers with serious physical handicaps and 18,000 able-bodied workers in 109 plants showed that the former were just as stable, just as steady in attendance and just as versatile as the latter, and were actually rated slightly higher in carefulness and efficiency.

The NEPH Week campaign will also be directed at those of the handicapped themselves who are not making full use of their actual or potential skills. They will be urged to take advantage of the medical care and training offered them by State and Federal agencies.

Available to these persons, Granger said, are the facilities of the Bureau of Vocational Rehabilitation, which helps to fit them for jobs; and of the State Department of Employment, which helps to place them after they become qualified.

BALBOA HIGH OFFERS
MANY NIGHT CLASSES

Free classes for adults in sheet metal, art metal, ceramics, and clay modeling are now being held at Balboa Adult School every Monday and Wednesday evening.

Expert instruction is given both beginning and advanced students. Pottery, figurines, hammered copper serving trays, book ends, ash trays, brackets, lamps, etc., can be made in these classes.

Registration will continue until October 15. For full information telephone HEmlack 1-4899.

OTHER CAR FAST TOO

Acceleration is one of the big virtues of the newer automobiles, declares the National Automobile Club. Owners are much impressed by it. Sometimes they are over-impressed. As a result of the latter, they think to speed up and cut in front of another car in a way that is distinctly dangerous. The point to remember is that the other fellow's car is likely to be just as quick, if not quicker, on the pick-up.

ified. For disabled veterans, he pointed out, the Veterans Administration offers the full gamut of assistance.

FATHERS AND SONS
NIGHT AT EAGLES

Upwards of 150 boys, accompanied by their paternal counterparts, were in attendance at Father and Sons Night held at Eagles Hall Thursday.

Featuring talks by Charles J. Graham, Jr., vice-president of the San Francisco Seals, The Great Walter Mails and Al Fiorese, Seals' baseball scout, the evening was a great success, according to the committee in charge. Those on the committee included Roy Allain, Gus Ford, Dave Cafferetta, R. Calvert, D. Alexander, Frank Davidson, Bill Kennedy, Emil Bertelli and John Patton.

Mails and Fiorese demonstrated some baseball fundamentals for the boys, and Walter the Great kept the boys laughing as he modestly acclaimed himself the greatest ball player of all time. His modesty was held responsible for Mails' holding back and not batting 1,000 per cent, he stated.

After viewing motion pictures of the 1947 World Series, the youngsters loaded up on peanuts, popcorn, hot dogs and soda pop provided by their Eagle sponsors.

HIGH PRICES? We hate them too!

For a very selfish reason we are just as interested as you are in bringing prices down. When you can't buy, we can't sell. So your problem with the high cost of living is our problem too. May we point out some of the ways we can help?

By cutting out expensive "frills" we make many savings. These savings allow us to price everything low, every day.

But that's not all. Our advertising can help you too. It tells about the foods which are in season—those which are the best buys right now.

On meats too. You get more value in every pound when you buy our trimmed-before-weighing kind. Because we price fruits and vegetables by the pound, you can buy exactly the amounts you need. You cut waste and save again. A money-back guarantee on everything we sell protects you against loss on any purchase.

We believe shopping regularly at Safeway will help reduce your cost of eating. Will you try it?

Girl Scout Leaders At Pot-Luck Feed

Day Camp leaders of the Daly City Girl Scouts celebrated the end of the camp season last Thursday with a pot-luck dinner at the Scout house at 101 Parkview avenue. The dinner, a yearly event, is an occasion at which the leaders get together to evaluate the past camp season and make recommendations for improvements to be made for subsequent seasons.

Day camp director, Mrs. Muriel Pabst, was hostess. Guests included Mrs. Helen Gould, executive director for this area; Miss Alice Passinou, new field worker from Minnesota; and Mrs. Cora Oberg, regular camp chairman.

Leaders present were Hilda Heagney, Dorothy Kramer, Thelma Hamilton, June Boynton, Sue Hopman, Cecil Saarinen, Edith Anderson, Angie Thur, Gertrude Hiett, Alice Detweiler, Edna Mullen, Marge Calvin, Bessie Runge and Marie Miller.

Mrs. Calvin decorated the tables with three miniature scenes of the day camp, which observers held to be perfect in every detail. Mr. and Mrs. Harold Martin projected movies taken during the day camp season at Camp Mattrup, and Mrs. Dorothy Kramer showed films taken at the Girl Scouts' Camp Wasibo, near Santa Cruz.

CHEAPNESS

It was President McKinley who said: "I do not prize the word 'cheap.' It is not a word of hope; it is not a word of comfort; it is not a word of inspiration; it is a badge of poverty; it is a sign of distress. Cheap merchandise means cheap men and cheap men mean a cheap country."

Argument Against Changing Method Of Selecting County Executive Told Here

The county proposition on the November 2 ballot will read "Shall section 1 of article IV of the charter of the county of San Mateo, which now provides for an elective county executive, be amended to provide for an appointive manager, and to prescribe his powers and duties?"

No arguments for or against the proposition will appear on the ballot, according to County Clerk William Augustus.

However, in line with The Record's policy of bringing both sides of all issues before the people, we print herewith an argument against the proposition, which argument was prepared by voters who believe the position of county executive should remain an elective one.

"When in 1932 the San Mateo County Charter was approved by the citizens, six important county positions were made appointive. During the ensuing six years, scandal and rumors that the positions were subject to purchase were rampant, and in 1938 the citizens amended the charter to make all of those positions elective.

"The people at that time by their vote, issued a mandate that all of the key positions in the county should remain in their control, subject to the will of the people in open and free elections. Unique in county government in California, the keystone of the present charter is its check and balance system, wherein the policies in legislation are the province of the board of supervisors and the execution

thereof is carried on by the county executive. Both branches are directly responsible to the voters as both are elected. Should the position of county executive be made appointive, this important check and balance would obviously be eliminated.

"It is significant to note that several attempts have been made by the board prior to this present charter amendment request, to make the position of county executive subject to the will of the supervisors instead of the people. So far they have been turned down on every occasion by the voters. If this proposed amendment should be approved, the appointed county executive would be simply a tool in the hands of the supervisors to carry out their instructions no matter what they might be.

"Should the voters of the county feel that the incumbent in this or any other office is not qualified, they have the power to remedy the situation every four years at the polls."

PIONEER GROVE PLAN JUNKED BY BOARD

The county board of supervisors on Tuesday abandoned efforts to acquire the 77-acre Pioneer Grove tract near the San Mateo Memorial Park on the grounds that lumbering operations of the Santa Cruz Lumber company have destroyed its value as a public park. The district attorney was directed to dismiss condemnation proceedings which had been filed in April.

The board decided instead to concentrate on acquisition of the main Butano forest in cooperation with the state and other interested counties.

PALISADE GLACIER

Palisade Glacier, Inyo County, is the largest in the Sierra Nevada and the most southerly of the United States. This comparatively solid mass of ice is about 3 miles long and one mile wide. A relic of the ice age, it is hundreds of feet deep. Visitors approach the glacier following a seven-mile "hard" hike from Glacier Lodge, near Big Pine.

WRONG LANGUAGE

The late Justice McKenna, U.S. Supreme Court, was an expert on poor golf. Deciding his game might be improved, he hired an instructor to teach the finer points.

One day, while practicing golf course near Washington, he missed, teeing off. He tried it or four times, but each time club hit behind the ball. His instructor watched silently.

Finally the Justice, becoming disgusted, glared at the ball.

"Tut - Tut!"

Gravely the instructor was toward him—"Sir," he said, "you never learn to play golf with words."

Liza: "When's he evah done any gunnin'?"

Mandy: "Ah mean he's always gunnah do dis an' gunnah do dat, and he's never done nothin'."
